A Shepherds Look at Psalms 23

By Phillip Keller

Travel the Shepherd's path to the green pastures and cool, refreshing waters of Psalm 23. As a shepherd, W. Phillip Keller shares his insights into the life and character of sheep--and of the Good Shepherd who loves and cares for them. *A Shepherd Looks at Psalm 23* will give new meaning to the ageless Shepherd Psalm, enriching your trust in and love for the Lord who watches closely over you.

Keller infuses new hope into our relationship with Christ. This Zondervan Timeless Faith Classic:

- Is perfect as a treasured self-purchase or gift for any occasion.
- Showcases Scripture which has been the topic of countless books and articles.
- Is a trusted inspirational resource for personal growth and reflection.

As we lie down in green pasture or walk through the shadowy valley, we're assured that whatever our path, whatever our stumbling, the Shepherd will lovingly guide, carry, and protect us. We can depend on His goodness and mercy all the days of our lives.

Readers will find comfort, guidance, and reassurance with *A Shepherd Looks at Psalm 23*.
